# Flex Interior

**Name:** Flex Interior Tile

**Dimensions:** 12 1/8" x 12 1/8"

**Thickness:** 1/2"

**Tile Weight:** 0.75 lbs

# Flex Interior

**Flex Interior Tiles** incorporates hundreds of hexagonal drainage holes. This drainage holes are surrounded by anti-slip ridges. These ridges are able to provide great traction for when the tiles are wet. Water is able to flow through the tiles making them a wonderful choice for garages, showers, locker rooms, and other interior applications.

## **Applications:**

- Shower Area
- Pool or Spa Area
- Garages
- Locker Rooms
- Laundry Rooms
- Trade Shows
- Boats

## **Features:**

- Drains Quickly
- Lightweight
- Indoor Use
- Installation is a SNAP!
